NEW COMPANIES KEEP SHOW FRESH

Des Moines, Iowa – January 20, 2017: Looking for the latest, greatest ag-related products and services? If so, the Iowa Power Farming Show, presented by Farm Credit Services of America and AgDirect, is for you. Stuffed with 7 acres of displays, the third largest indoor farm show in the United States is located right in your backyard in Des Moines, Iowa.

More than 860 companies will be exhibiting at the Iowa Power Farming Show this year – several new to the show. For many, this is the only farm show they attend in Iowa. In fact, more than 50% do not participate in the nearest outdoor farm show and almost 70% do not exhibit at the closest indoor farm show.

Tuff-bilt Tractors Manufacturing Inc. (booth #4066) is one of these companies. The Walthill, Nebraska-based manufacturer produces a versatile garden tractor designed to meet the growing needs of landscape companies, small land owners, large farms with specific cultivation needs, farmer's markets producers and organic farms.

Each Tuff-bilt tractor comes equipped with two 3-point hitches (front and rear), hydraulically operated with a lift capacity over 700 pounds each. The tractor also features a 19 HP Kohler gas engine, longer frame, 5-gallon gas tank, reinforced lift arms, heavy duty turnbuckles at all lift points, muffler guard, rear takeoff shaft guard and a full 1-year warranty. Add in 24 easy converting implements and accessories, and the Tuff-bilt tractor can tackle almost any job.

Visit iowapowershow.com for a complete exhibitor list. Show hours are 9 am to 4 pm Tuesday and Wednesday, and 9 am to 3 pm Thursday. Parking and shuttle are free at Iowa Cubs-Principal Park. Farmers may register online at iowapowershow.com and save \$5 off the \$8 admission. When registering, farmers will also be participating in a brief survey about their planting intentions and preferred methods of communication.

The Iowa Power Farming Show is produced by the Iowa-Nebraska Equipment Dealers Association in conjunction with local Iowa and Nebraska farm equipment dealers. Diamond Sponsor is presented by Farm Credit Services of America and AgDirect; Platinum Sponsor – Ag Leader Technology; Gold Sponsors – Machinery Pete, Mitas, Stine Seed Co. and Sukup Manufacturing; and Media Sponsors – Iowa Farmer Today and WHO radio.
